

## Message From The Publisher

**H**ello everyone, Well how's your summer going? As for us at Thunder Voice News **JUST GREAT!!**

I'd like to congratulate all the guys who put on a helluva show at the Indian and Metis Friendship Centre on June 14, 2003. It was raising money for the Metis Music Jamboree hosted by Hon. W.Yvon Dumont and Kevin Chief. It's a show that is listen to across the province. I've talked to a lot of people and they love this show, I guess that's why 600-700 people were there to support the need to keep it on the air.

Another event was Aboriginal Day, June 21, 2003. Thunder Voice wasn't in the parade this year, so next year we will be in!

Anyway it was a great day and it was your day to shine, and let everyone know the Aboriginal people are the ORIGINAL people of the land. Also a belated Happy Canada Day too all!!

Again this year we were at the Fish Winnipeg Media Fish Challenge on June 17, 2003. We came in 5th, and had a challenge with N.C.I. radio on bragging rights for the next day, whoever lost would have to admit who were the best fisherman and just I knew all along. We (Thunder Voice) came out, Kings of the River. We should have spotted them 2 or 3 fish, maybe they would have had a chance. Better luck next year, Dave, Corey & Sheila.

Speaking of N.C.I. I had the pleasure of meeting Corey Whitford (THE COYOTE) He's the most cheerful people I've ever met. If you see a guy getting out of one of N.C.I.'s vehicle with a smile that would blind most people, then you have just met "THE COYOTE."

This was suppose to be a short publisher's message, however their's So much happening!

My Granddaughter Trisha asked me if I would publish her story, So I told her I would. So read on and see what you think of a 10 year old's writing skills

So till next month, Keep safe, drive carefully and have fun!

## Fish Winnipeg Media/Corporate Challenge

**T**he Fish Winnipeg Media/Corporate Challenge is a one a day angling event designed to introduce Winnipeggers to the first class fishery located in the city, showcase other urban angling programs, promote angling as a healthy, self-esteem building outdoor leisure activity for our youth and to raise money to provide angling opportunities for at risk, inner city youth in support of the Urban Angling Partnership. This year's event was won by a team from The Grand Forks Herald, with Thunder Voice finishing in 5th place an improvement over last year's 6th place finish. Erin Isfeld of A Channel landed the prize for the largest fish of the day. In all this is a great event to promote fishing in the city and benefit the youth at risk in our community.
